

MPS::calNumberDensity

```
graph LR; A[MPS::calNumberDensity] --> B[weight]
```

A diagram showing a mapping from the variable `MPS::calNumberDensity` to the variable `weight`. The variable `MPS::calNumberDensity` is contained within a gray rectangular box, and the variable `weight` is contained within a white rectangular box. A blue arrow points from the gray box to the white box, indicating a directed relationship or mapping between the two variables.
