

Simulation::Simulation

Loader::load

Loader::loadParticleProf

```
graph LR; A[Simulation::Simulation] --> B[Loader::load]; B --> C[Loader::loadParticleProf];
```

The diagram illustrates a three-step process flow. It begins with a box labeled 'Simulation::Simulation', followed by an arrow pointing to a box labeled 'Loader::load', and finally an arrow pointing to a box labeled 'Loader::loadParticleProf'. The final box is shaded gray, while the others are white.
